predicament i most certainly do when you begin to experience the feelings associated with being lost hopeless empty you know the pain the hurt that floods a lonely soul when you realize what you have done to yourself when you see what has become of you i can tell you from my own experience that there is not a moment quite like that moment when all pride is thrown aside when the blinders fall off and just for a moment you can see a truth that had previously alluded you god had been bringing you to this moment he sure did me but pride and sin kept getting in the way keeping me from seeing it and then it hits you all at once as if a loud speaker goes off in your mind when you finally get it clear in your mind that life is meant to be more than the life i am living what a hard pill this can be to swallow especially for the individual who has become accustomed to not seeing or facing himself as well for the one who does not yet know or understand the powerful truth in the simple phrase i am nothing absolutely nothing without god
